Black Cow

92bpm

Steely Dan

**In the corner of my eye
I saw you in Rudy's
You were very high
You were high
It was a cryin' disgrace
*They saw your face***

**On the counter by your keys
Was a book of numbers and your remedies
One of these surely will screen out the sorrow
But where are you tomorrow**

**I can't cry anymore
While you run around (*while you run around*)
Break away just when it
Seems so clear that it's
Over now
Drink your big black cow
and get out of here**

**Down to Greene Street
There you go
Lookin' so outrageous
And they tell you so
You should know
How all the pros play the game
(*You change your name*)
Like a gangster
On the run
You will stagger homeward
To your precious one
I'm the one Who must make everything right
Talk it out till daylight**

***I don't care anymore* Why you run around
(*why you run around*)
Break away
Just when it seems so clear that it's
Over now *Drink your big black cow*
And get out of here**

Chorus 1 Repeat

So outrageous
