

Black Muddy River

65bpm

When the last rose of summer pricks my fingers
And the hot sun chills me to the bone
When I can't tell hear the song for the singer
And I can't tell my pillow from a stone

Chorus

I will walk alone by the black muddy river
And sing me a song of my own
I will walk alone by the black muddy river
And sing me a song of my own

When the last bolt of sunshine hits the mountain
And the stars start to splatter in the sky
When the moon splits the southwest horizon
With the scream of an eagle on the fly

Chorus And listen to the ripples as they moan

Bridge
Black muddy river
Roll on forever
I don't care how deep or wide
If you got another side
Roll muddy river
Roll muddy river
Black muddy river roll

Lead

Bridge

When it seems like this night will last forever
And there's nothing left to do but count the years
When the strings of my heart start to sever
And stones fall from my eyes instead of tears

Chorus + And sing me a song of my own
