

# Black Muddy River

65bpm

When the last rose of summer pricks my fingers  
And the hot sun chills me to the bone  
When I can't tell hear the song for the singer  
And I can't tell my pillow from a stone

## Chorus

I will walk alone by the black muddy river  
And sing me a song of my own  
I will walk alone by the black muddy river  
And sing me a song of my own

When the last bolt of sunshine hits the mountain  
And the stars start to splatter in the sky  
When the moon splits the southwest horizon  
With the scream of an eagle on the fly

Chorus And listen to the ripples as they moan

Bridge  
Black muddy river  
Roll on forever  
I don't care how deep or wide  
If you got another side  
Roll muddy river  
Roll muddy river  
Black muddy river roll

## Lead

## Bridge

When it seems like this night will last forever  
And there's nothing left to do but count the years  
When the strings of my heart start to sever  
And stones fall from my eyes instead of tears

Chorus + And sing me a song of my own
