

## Box of Rain

Look out of any window, any morning, any evening,  
*any day.*

Maybe the sun is shining, *birds are winging, no rain is falling from a heavy sky*

*What do you want me to do, to do for you to see you through?*

For this is all a dream we dreamed *one afternoon long ago.*

Walk out of any doorway, feel your way, feel your way like the day before.

Maybe you'll find direction *around some corner where its been waitin' to meet you.*

*What do you want me to do?*

To watch for you *while you're sleeping?*

Then please don't be surprised when you find me dreaming too. >Lead

Look into any eyes you find by you, you can see clear to another day.

Maybe been seen before *through other eyes, on other days while going home.*

*What do you want me to do, to do for you, to see you through?*

It's all a dream we dreamed, one after-noon long a-go.

Walk into splintered sunlight,

inch your way through dead dreams to another land  
Maybe you're tired and broken, your tongue is twisted with

Words half-spoken and thoughts unclear.

*What do you want me to do, to do for you, to see you through?*

A box of rain will ease the pain, and love will see you through.

*Just a box of rain, wind and water.*

*Believe it if you need it, if you don't, just pass it on.*

*Sun and shower, wind and rain,*

*in and out the window, like a moth before a flame*

*And it's just a box of rain I don't know who put it there;*

*Believe it if you need it, or leave it if you dare.*

*And it's just a box of rain or a ribbon for your hair.*

*Such a long, long time to be gone and a short time to be there.*
