Casey Jones was a brave engineer  
He told his fireman not to fear He said,  
"All I want, is my water and my coal  
Look out the window, see my drive wheels roll"

Early one mornin' it was drizzlin' rain  
'Round the curve come a passenger train  
In the cab was Casey Jones  
He's a great engineer, but dead and gone

[Once around]

Mrs. Casey, when she heard the news  
Sittin' on the bedside, lacin' up her shoes Said,  
"Go away, children and hold your breath  
You're gonna draw a pension at your daddy's death"

"Children, children, get your hats"  
"Mama, Mama, what do you mean by that?"  
"Get your hat, put it on your head  
Go'in down town, see if your papa's dead"

[Once around]

Now Casey said, before he died  
Fix the blinds so the bums can't ride  
And if they ride, let 'em ride the rod  
Put their trust in the hands of God

Now Casey said, before he died  
Two more roads I'd like to ride "Well  
tell us Casey, what can they be?"  
The old Colorado and the Santa Fe

[Once around]

Casey Jones was a brave engineer  
He told his fireman to not to fear He said,  
"All I want, is my water and my coal  
Look out the window, see my drive wheels roll"  
Look out the window, see my drive wheels roll"
