

Eyes of the World

“JDarks Recommends”: Dick’s Picks #31 Version for learning the tune. You can hear it all. And the Jam is Classic.

**1. Right outside this lazy summer home
you ain't got time to call your soul a critic no.
Right outside the lazy gate of winter's summer home,
Wond'rin' where the nut-hatch winters, wings a mile
long
Just carried the bird away.**

Chorus

**Wake up to find out that you are the eyes of the world,
The heart has it's beaches, it's homeland and thoughts of
it's own.
Wake now, discover that you are the song that the
mornin' brings,
Heart has it's seasons, it's evening's and songs of it's
own.**

Jam 1

**2. There comes a redeemer, and he slowly too fades
away,
And there follows his wagon behind him that's loaded
with clay,**

**And the seeds that were silent all burst into bloom, and
decay,
and night comes so quiet, it's close on the heels of the
day.**

Chorus

Jam 2

**3. Sometimes we live no particular way but our own,
And sometimes we visit your country and live in your
home,
Sometimes we ride on your horses, sometimes we walk
alone,
Sometimes the songs that we hear are just songs of our
own.**

Chorus
