

## **Franklin's Tower**

**1. In another times forgotten space  
Your eyes looked from your mother's face  
Wildflower seed on the sand and stone  
May the four winds blow you safely home**

**Chorus: Roll Away the Dew**

**2. I'll tell you where the four winds dwell  
In Franklin's tower there hangs a bell  
It can ring, turn night to day  
It can ring like fire if you lose your way**

**Chorus: Roll Away the Dew**

**3. God save the child that rings that bell  
May have one good ring baby, you can't tell  
One watch by night, one watch by day  
If you get confused, listen to the music play**

**4. Some come to laugh their past away  
Some come to make it just one more day  
Whichever way your pleasure tends  
If you plant ice, you're gonna harvest wind**

**Chorus: Roll Away the Dew**

**Lead 3**

**5. In Franklin's tower the four winds sleep  
Like four lean hounds, the lighthouse keep  
Wildflower seed on the sand and wind  
May the four winds blow you home again**

**Chorus: Roll Away the Dew**

**Lead 5**

**Chorus: Roll Away the Dew**

Someone's comment: after watching Franklin's Tower on "View from the Vault 2," I noticed that Jerry played the A - G - D - G progression as barre chords starting with A major with the root on the 12th fret of the 5th string, then moving the same shape down to G on 10th fret fifth string, playing D major by changing the shape and playing D on the 10th fret of the 6th string (sounds more complex than it is - I would draw this if I weren't so tablature-challenged).
