<p>V3 Johnnie was cookin' Sally was 'a lookin' No uninvited company Some <u>fellas</u> from <u>Salinas</u> Pulled <u>up</u> lookin' mean The ice was all they had to see</p> <p>Guns came out Demands were made It was crystal clear they knew well Sally looked at Johnny, Said "This isn't funny, Honey How'd it ever get this way?"</p>	<p>V4 Sally was tweakin' Johnnie started freakin' The business ain't all cracked, you see Johnnie dropped the beaker Rolled off his Nike sneaker Bad news was on the way</p> <p>The pot boiled over Spark caused a flash Turned Johnnie and Sal into ash America's notion A great explosion How'd it ever get this way?</p>	<p>Chorus There's choice in this life You can go to the well You can climb the hill Or take the trip to hell Some roads lead to perdition What's your addition? The trail you take is yours to find</p>
<p>V5 The Sheriff in the County Picked up the legal bounty Two ears, a nose, (and part of the stash)</p> <p>The papers told the story No tale of love, no glory Just a- <u>nother</u> hole in <u>Cal-i-for-ni-a</u></p>	<p>Your eyes go blind Your teeth fall out Your blood turns shades of grey Your friends don't want to be you They just say "See you" How'd it ever get this way?</p> <p>Yeah, Your friends don't want to be you They just say "See you" How'd it ever get this way? How'd it ever get this way?</p>
