Somewhere beyond the sea Somewhere waiting for me My lover stands on golden sands And watches the ships that go sailin'	Somewhere beyond the sea She's there watching for me If I could fly like birds on high Then straight to her arms I'd go sailing  It's far beyond the stars It's near beyond the moon I know beyond a doubt My heart will lead me there soon	We'll meet beyond the shore We'll kiss just as before Happy we'll be beyond the sea And never again I'll go sailing  I know beyond a doubt, ah My heart will lead me there soon We'll meet (I know we'll meet) beyond the shore	We'll kiss just as before Happy we'll be beyond the sea And never again I'll go sailing  No more sailing So long sailing Bye bye sailing
