

Looks Like Rain

85bpm

**I woke today, felt your side of bed;
The covers were still warm
where you'd been layin'.
You were gone, gone,
my heart was filled with dread;
You might not be sleeping here again.**

**But it's alright cause I love you,
And that's not going to change.
Run me around and make me
hurt again and again.
And brave the storm to come,
For it surely looks like rain**

**2. Did you ever waken to the sound
of street cats making love?
And guess from their cries
you were listening to a fight.
Well you know, oh-oh,
hate's just the last thing they're thinking of.
They're only tryin' to make it through the night.**

**I only want to hold you,
I don't want to tie you down
Or fence you in by lines I might've drawn.
It's just that I,
I've gotten used to havin' you around.
My landscape would be empty, if you were
gone;**

**But it's alright cause I love you,
And that's not going to change.
Run me around and make me
hurt again and again.**

**But I'll still sing you love songs,
Written in the letter of your name.
And brave the storm to come,
For it surely looks like rain.**
