

LOST AND FOUND

<p>1. Lookin' back down the track The old man recalled her wandering ways Was she in it for the money, did she merely choose to turn away? It's a loser's offense at the cost of time and pressure A deal gone down, sunk and drowned Without the love or the treasure</p>	<p>2. Sittin' <u>in</u> the shadow of his prison wall She mourned her baby's fate A momentary lapse, she was only try'n to relate Ten thousand reasons she drew for the loss of love's full measure She was lost in love he was found Without the means to measure</p>	<p>Chorus 1</p> <p>They say a man's got a number of days Depends on how you use 'em Some like to choose not to fade 'em away The other ones simply lose 'em Round and round All fall down Wheel turns round Lost and found</p> <p>Inst.</p>
<p>3. The shadows in the alley said it all... Two lovers twined in rapture's embrace Was he in it for the honey, did she really mean to make a mistake? In a heartbeat he moved – a heart lost its earthly tether He was lost in love, she was found Without the love or the pleasure</p>	<p>Chorus 2</p> <p>They say a woman's got a number of ways Depends on how you use 'em Some like to choose not to fade 'em away The other ones simply lose 'em. Round and round All fall down Wheel turns round Lost and found</p>
