That extra note -9- is why they call him "Jerry"

That "E" is not in a "G"

**2 I took the horses up to the stall,
Went to the barroom, ordered drinks for all.
Three days in the saddle, you know my body hurt,
It being summer, I took off my shirt.
And I tried to wash off
some of that dusty dirt. (Hold Em)**

**3 West Texas cowboys, they's all around.
With liquor and money, they loaded down.
Soon after payday know it seemed a shame;
You know my uncle he starts a friendly game.
And it's high-low jack and the
winner take the hand. (B7 Em)**

Hitting that Em riff note again when it's supposed to be G!
But he's Jerry... and it's only 1970 ...
25 years of playing to go...

**4 My Uncle starts winning; cowboys got sore.
 One of them called him, and then two more,
 Accused him of cheating; Oh no, it (just) couldn't be.
 I know my Uncle, an' he's as honest as me, Hey now,
 And I'm as honest as a Denver man can be.

**5 One of them cowboys, he starts to draw,
 I shot him down, Lord he never saw.
 Shot me another, oh damn he won't grow old.
 In the confusion, my Uncle grabbed the gold,
 And we high-tailed it down to Mexico. (B7 Em)**

**6 I love those cowboys, I love their gold,
 I loved my Uncle, God rest his soul,
 Taught me good, Lord, taught me all I know.
 Taught me so well, I grabbed that gold
 And I left his dead ass there by the side of the road.**
