

## **Mission in the Rain**

**I turn and walk away then I  
come 'round again  
It looks as though tomorrow I'll do  
pretty much the same.  
I must turn down your offer  
but I'd like to ask a break  
You know I'm ready to give everything  
for anything I take.**

**Someone called my name you know  
I turned around to see  
It was midnight in the Mission  
and the belles were not for me,  
Come again.**

**Walking along in the Mission in the rain, Come again.  
Walking along in the Mission in the rain.**

**All the things I planned to do  
I only did half way  
Tomorrow will be Sunday born of rainy Saturday.  
There's some satisfaction  
in the San Francisco rain  
No matter what comes down  
The Mission always looks the same, Come again.  
Walking along in the Mission in the rain, Come again.  
Walking along in the Mission in the rain.**

E                                    D    A                                    D   C#m  
 Ten years ago, I walked this street my dreams were riding tall.  
 Bm                                    E    A    D                                    E  
 Tonight I would be thankful Lord, for any dream at all.  
 E                                    D    A                                    D   C#m  
 Some folks would be happy just to have one dream come true.

 But everything you gather is just more that you can lose. Come again.

 Walking along in the Mission in the rain, Come again.
