The trick is that the chord after the G (C or D) is on the "4."

<p>G C I can hear my neighbors making G D love upstairs their love is G rattling my tables and my C chairs keeping me a- Am D wake the love they make it's G C keeping me a-wake while I'm just G trying to get some D sleep on the ground G (Intro) floor</p>	<p>I don't mind my neighbors making love upstairs cause I was once the lover making all my neighbors scared you and Am D me thundering the floorboards with our G C power and our force while they're just G D trying to get some sleep on the ground G 2-3-I can floor</p>	<p>I can hear my neighbors making love up- -stairs their love is amplifying all of my de-spair I was once a lover now I have to listen to my neighbors making G D love upstairs from down on the ground C D floor from C C D down on the ground floor from C D G down on the ground floor 3 measure hold then Solo over Verse x 2</p>
<p>In this G C city all the humans live in G D layers I've got G people down the hall and down the C stairs We all move Am D in and out and live our lives in G C stacks and rows and pairs and try to find G D G someone with whom we can share it I can G C hear my neighbors making love up- G 4D -stairs 2, 3, I-wish-I <u>didn't</u> have to G C <u>be</u> so well informed of their af-fairs</p>	<p>Oh but if they Am D <u>have</u> to be <u>doing</u> something, at G C least they're having fun Some- Am D -times I for-get that all of G C us are just hu-man cause we're all G D stacked in rows and columns G C And if one of them should fall on me my G D neighbors making love upstairs C D Em would cru-ush me I'm down on the ground C D Em floor I'm down on the ground C D Em C D G floor I'm down on the ground floor Intro</p>
