<p>1. Please don't dominate the rap Jack, If you got nothin' new to say. If you please, don't back up the tracks, This train's got to run today. I spent a little time on the mountain, Spent a little time on the hill</p> <p>I heard some say, better run away Others say better stand still.</p> <p>Now I don't know but I been told that It's hard to run with the weight of gold Other hand, I've heard it said, It's just as hard with the weight of lead</p>	<p>2. Who can deny, who can deny, It's not just a change in style. One step done and another begun, And I wonder how many miles. I spent a little time on the mountain, Spent a little time on the hill</p> <p>Things went down we don't understand But I think in time we will.</p> <p>Well, I don't know, but I've been told In the heat of the sun a man died of cold Keep on comin' or stand and wait With the sun so dark and the hour so late. (<i>hour so late</i>)</p>	<p>3. You can't overlook the lack, Jack, Of any other highway to ride, It's got no signs or dividing lines, And very few rules to guide. I spent a little time on the mountain, Spent a little time on the hill</p> <p>I saw things getting out of hand I guess they always will.</p> <p>Now I don't know but I've been told If the horse don't pull you got to carry the load. I don't know whose back's that strong; Maybe find out before too long.</p>

3. You can't overlook the lack, Jack,
Of any other highway to ride,
It's got no signs or dividing lines,
And very few rules to guide.

I saw things getting out of hand
I guess they always will.

Now I don't know but I've been told
If the horse don't pull you got to carry the load.
I don't know whose back's that strong;
Maybe find out before too long.

Outro 3 times to fade
E7 also x76777
One way or another,
one way or another,
One way or another,
this darkness has got to give.
