Two white horses in a line

Gonna take me to my burying ground.

And my heart stopped beating and my hands turned cold
 And my heart stopped beating and my hands turned cold
 And my heart stopped beating and my hands turned cold
 And I believe what the Bible told.

Did you ever hear that coffin sound
 Did you ever hear that coffin sound
 Did you ever hear that coffin sound
 Means another poor boy is in the ground.

Well you can dig my grave with a silver spade
 Dig my grave with a silver spade
 Dig my grave with a silver spade
 Lay me down with a golden chain

It's a lonely lane that got no end
 It's a lonely lane that got no end
 It's a lonely lane that got no end
 It's a bad old wind that never change

Did you ever hear them church bells toll
 Ever hear them church bells toll
 Did you ever hear them church bells toll
 Then you know that the poor boy's dead and gone.

And there's one last favor I'll ask of you
 And there's one last favor I'll ask of you
 And just one last favor I'll ask of you
 You can see that my grave is kept clean.
