**1 They sat together in the park as the evening sky grew dark
 She looked at him and he felt a spark tingle to his bones**

Then he felt alone	----- ----- ----- -5-4-2-0- ----- -----

and wished that he'd gone straight

<p>And watched out for a simple twist of fate</p>	<pre> ----- ----- 2- 3- ----- 2- 2- -0- 4h5----- ----- 0-2-4- ----- </pre>

**2 They walked along by the old canal a little confused, I remember well
And checked into a cheap hotel with a neon burnin' bright**

<p>He felt the heat of the night</p>	<pre> ----- ----- ----- -2-3h4- ----- ----- </pre>

**hit him like a freight train
Moving with a simple twist of fate**

Lead x2

**3 He woke up, the room was bare, he didn't see her anywhere
He told himself he didn't care, through the window open wide
Felt the emptiness inside to which he just could not relate
Blame it on a simple twist of fate**

**4 A saxophone someplace far off played as she walked along the arcade
As the light bust through a beat-up shade back where he was wakin' up**

<p>She dropped a coin into the cup</p>	<pre> ----- ----- 3- ----- 2- -2-3h4----- ----- </pre>

**of the blind man at the gate
And forgot about a simple twist of fate**

Lead Guitar/Bass/Piano

5 He hears the ticking of the clock and walks along with a parrot that talks
 Heads down to the waterfront docks where the sailors all come in
 Maybe she'll pick him out again, how long must he wait
 Once more for that simple twist of fate

6 People tell me it's a sin to know and feel too much within
 All I know she was my twin, but I broke the ring
 She was born in the spring, but I was born too late
 Blame it on a simple twist of fate
