<p>Music is a world within itself With a language we all understand With an equal opportunity For all to sing, dance and clap their hands</p> <p>Just because a record has a groove Don't make it hit the groove But you can tell by the dance that lets you in When the people start to move</p> <p>They can feel it all over They can feel it all over, people They can feel it all over They can feel it all over, people, go! Yeah</p>	<p>Music knows it is and always will Be one of the things that life just won't quit But here are some of music's pioneers That time will not allow us to forget, no</p> <p>For there's Basie, Miller, Satch-a-mo And the king of all, Sir Duke And with a voice like Ella's ringing out There's no way the band can lose</p> <p>You can feel it all over You can feel it all over, people You can feel it all over You can feel it all over, people</p> <p>You can feel it all over You can feel it all over, people You can feel it all over You can feel it all over, people</p>	<p>Inst</p> <p>You can feel it all over You can feel it all over, people You can feel it all over You can feel it all over, people</p> <p>You can feel it all over You can feel it all over now, people</p> <p>Inst</p>
