

Terrapin Station

Let my ins-pa-ra-sha-un flow in token
rhyme, suggesting rhythm,
That will not for-sake me, till my
tale is told and dah-un.

While the firelight's a-
glow, strange shadows
from the flames will
grow, till things we've never
seen will seem familiar.

Shadow of a sailor,
forming winds both foul and fair all swarm.
Down in
Carlisle he *loved* a lady _ many years ago.

Here beside him stands a man, a soldier
from the looks of him, Who came
through many *fight*s, but lost at love.

While the story teller speaks a door within the fire
creaks,
suddenly *flies open*
and a girl is standing there.

Eyes alight with glowing hair
all that fancy paints as fair,
she takes her *fan* and throws it
in the lion's den.

Which of you to gain me tell will risk uncertain pains of hell?
I will not *forgive* you
if you will not take the chance.

The sailor gave at least a try the soldier being much too
wise,
Strategy was his *strength* and not disaster.

The sailor coming out again the lady fairly leapt at him.
That's how it stands *today*. You decide if he was wise.

The storyteller makes no choice. Soon you will not hear
his voice.
His job is to shed *light*, and not to master.

Solo

Since the end is never told,
we pay the teller off in gold
In hopes he will come back,
but he cannot be bought or sold.

“Jaws”

Counting stars by candlelight,
all are dim but one is bright;
The spiral light of Venus,
rising first and shining best,
Oh, from the northwest corner,
of a brand new crescent moon,
Crickets and cicadas sing,
A rare and different tune,
Terrapin Station

Inspi-ration, move me brightly.
Light the song with sense and color,
Hold away despair,

More than this I will not ask
faced with mysteries dark and vast,
Statements just seem vain at last.
Some rise, some fall, some climb,
to get to Terrapin

In the *Bm* shadow of the moon,
Terrapin Station. D A
A D E
And I know we'll be there soon, (*Terrapin*)

I can't figure out,
(*Terrapin*)
if it's the end or beginning, (*Terrapin*)
But the train's put it's brakes on (*Terrapin*)
and the whistle is screaming, (*TERRAPIN*)
