**When I hear your name I start to shake inside.
When I see you stroll I lose my self control.
That's what love will do for you.
That's what love will make you do.
No matter how hard I fight it,
Baby I'm still in love with you.**

**If you're every in need,
there's no limit to what I'd do.
I'd work eight days a week, baby
and give it all to you.
That's what love will do for you.
That's what love will make you do.
No matter how hard I fight it,
Baby I'm still in love with you.**

**When they speak of beauty you can stand the test.
When they talk about making love, Baby your the best
Don't want to brag 'bout you too much, give others ideas.
Trying hard to express myself 'cause
Baby that's the way I feel.**

**That's what love will do for you.
That's what love will make you do.
No matter how hard I fight it,
Baby I'm still in love with you.**

**No matter how hard I fight it,
Baby I'm still in love with you" to end**
