

There's No Use Living For Today

Darrell Scott

V1

Well, there's no use living for today
There's no use living for today-eeee
Well today was once to-morrow
And today's tomorrows' yesterday
There's no use living for today

V2

The girl I love is up and gone
The girl I love is up and gone
She left yesterday morning
And by supper time I had a brand new song
The girl I left is up and gone

V3

The cat is scratching at my door
I got a big black cat and he's scratching at my do-ooooor
He runs by me kind of funny
cause I've never let him in be-fore
The cat is scratching at my door

V4

Everybody needs some time away
(don't you think?)
Everybody, everybody needs some time away
She'll only
be gone for the weekend but it feels like Sunday every day
Everybody needs a little bit of time away

V5

She's coming in on the 12:09
My baby's coming on the 12:09
She will ask me about the weekend
And I'll lie and tell her it was fine
She'll be coming in on the 12:09

V1 Repeat

Well, there's no use living for today
There's no use living for today
Well today was once to-morrow
And today's tomorrows' yesterday
There's no use living for today
