<p>3 Now watch as the ball revolves as the nighttime falls,  and again the hunt begins and again the blood winds call  By and by again the morning sun will rise, but  <b>the Darkness</b> never goes from some men's eyes. No! no!</p> <p>4 It strolls the sidewalks and it roams the streets,  staking turf dividing up meat.  Nightmare spook, with a piece of heat,  And it's you and me, you and me.    A A A</p>	<p><b>Chorus 2</b>  Click flash blade in ghetto night,  Rudies looking for a fight.  Rat-cat alley roll them bones,  need that cash to feed that jones  And the politicians throwing stones, singing  "Ashes to Ashes all fall down,  Ashes to Ashes all fall down."</p>

**Vocal Ending**

Shipping powders back and forth,  
 singing "black come south while white go north"  
 And the whole world's full of petty wars,  
 singing "I got mine and you got yours."  
 While the current fashion sets the pace,  
 lose your step fall out of grace.  
 The radical he rant and rage,  
 singing "someone's got to turn the page."  
 And the rich man in his summer home,  
 singing "Just leave well enough alone."  
 But his pants are down his cover's blown,  
 and the politicians throwing stones  
 So the kids they dance they shake their bones,  
 Since it's all too clear we're on our own.  
 Singing "Ashes to Ashes all fall down,  
 Ashes to Ashes all fall down"

(verse)

Picture a bright blue ball just spinning, spinning free,  
 dizzy with the possibilities.

Ashes to Ashes all fall down, singing

"Ashes to Ashes all fall down" .....

(To fade or short stop)

*(If the crowd sings along "Ashes to Ashes" you made it.)*
