

U.S. Blues

Red and white, blue
suede shoes,
I'm Uncle Sam, how do you
do?

Gimme five, I'm still
alive,
Ain't no luck, I learned to
duck.

Check my pulse, it
don't change.
Stayed seventy-two, come
shine or rain.

Wave the flag, pop a
bag,
Rock the boat, skin the goat.

Wave that flag, wave
it wide and high.

Summertime done, come and
gone, my, oh, my.

I'm Uncle Sam, that's
who I am;
Been hidin' out, in a rock
and roll band.

Shake the hand, that
shook the hand
Of P.T. Barnum, and Charlie
Chan.

Shine your shoes,
light your fuse.
Can you use them ol' U.S.
Blues?

**I'll drink your
health**, share your wealth,
Run your life, steal your
wife.

Wave that flag....

Solo

Back to back, chicken
shack.

Son of a gun, better change
your act.

We're all confused,
what's to lose?
You can call this song the
United States Blues

Wave that flag....
Summertime done, come and
gone, my, oh, my.
