

Unbroken Chain

**1. Blue light rain,
Whoa unbroken chain,
Looking for familiar faces
In an empty window pane.**

**Listening for the secret,
Searching for the sound
But I could only hear the preacher
And the baying of his hounds.**

**2. Willow sky,
Whoa, I walk and wonder why,
They say love your brother,
But you will catch it when you try.**

***Roll you down the line poor boy,
Drop you for a loss,
Ride you out on a cold railroad
And nail you to a cross.***

**3. November and more,
As I wait for the score,
They're telling me forgiveness
Is the key to every door.**

**A slow winter day
A night like forever,
*Sink like a stone,
Float like a feather.***

Jam

**Lilac rain, unbroken chain,
Song of the sawhet owl.
Out on the mountain, it'll drive you insane,
Listening to the wind howl**

**Unbroken *chain* of sorrow and pearls,
Unbroken chain of sky and sea.
Unbroken *chain* of the western wind,
Unbroken chain of you and me.**
